Conditions of Purchase

All orders are to be paid in full. The customer accepts full responsibility for the measurements provided. The supplier will be manufacturing to the specifications provided and holds no responsibility for incorrectly provided measurements. All orders are final.

Useful Tips

- Most wardrobes are 600mm in depth
- A two-door double track depth is 82mm, this allows approximately 500mm of clear hanging space
- A three-door triple track depth is 125mm. A triple track can be used in a 600mm deep wardrobe, but hanging space will be slightly reduced
- For a four-door wardrobe, order 2x two-door packages.
